PROFILE

Highly motivated and results-driven Full Stack Developer with a solid foundation in web development, honed through intensive training in a reputable bootcamp program. Proficient in both front-end and back-end technologies, including HTML, CSS, JavaScript, and server-side languages. Adept at designing and implementing responsive, user-centric web applications, coupled with a keen eye for UI/UX design principles. Passionate about staying current with emerging technologies to deliver innovative solutions and continuously enhance skills.
